

ENTREPRENEURSHIP EDUCATION CENTER

Support for self-starters seeking to build their own business. The Entrepreneurship Education Center offers educational support and resources necessary for success. The EEC includes faculty advising, business intelligence research, brainstorming sessions and networking opportunities growing knowledge and expanding skills for the fledgling entrepreneur. The EEC also supports students in the Entrepreneurship Certificate Program. This certificate helps develop skills necessary for new business start-ups, family business, intrapreneurship, and entrepreneurial thinking.

The center offers:

- Assistance developing business plans and exit strategies
- Access to faculty with a range of industry knowledge
- Opportunities to participate in forums with students of similar interests
- Business development seminars and workshops covering diverse industries
- Access to research tools, marketing analysis, and expert advice on your product/service feasibility and sustainability
- Practice and presentation opportunities with advisors

And so much more!
