

HEALTHCARE EDUCATION PROGRAMS

From biomedical technology all the way to public health and everything in between. Your **Phoenix Work4orce** has Nursing and Healthcare professions covered. The growing bioscience industry is expected to create 7,000 more jobs as the Phoenix Biomedical Campus and Arizona Biomedical Corridor continues to expand. Through specialized training and instruction provided by higher education institutions in the metro area, Phoenix is poised to create a competitive bioscience environment where ideas are nurtured, innovation is celebrated and creators are welcome.
